

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF TEXAS
SHERMAN DIVISION**

IRONWORKS PATENTS, LLC

v.

COOLPAD TECHNOLOGIES INC.,

Defendant.

Case No. 4:19-cv-00527

JOINT MOTION TO EXTEND STAY OF ALL DEADLINES

On December 19, 2019, Plaintiff Ironworks Patents, LLC and Defendant Coolpad Technologies Inc., notified the Court that the Parties have reached an agreement in principle that will resolve all matters between them and moved for a stay of all unreached deadlines for thirty days so that appropriate dismissal papers may be submitted. Dkt. No. 19.

On December 30, 2019, the Court granted the motion to stay until January 29, 2020. Dkt. No. 20.

The parties have exchanged drafts of the settlement agreement and are close to finalizing it. However, the Chinese New Year begins on January 24 and extends through February 2, 2020, which will make it impossible for the agreement to be finalized before the stay expires on January 29. The recent breakout of coronavirus in China has also caused uncertainty since Coolpad may have to extend the holiday break or put decision makers in isolation as requested by different levels of medical authorities and governments. The parties therefore seek a joint extension of the stay until March 2, 2020.

Dated: January 27, 2020

Respectfully submitted,

/s/ Alison Aubry Richards
